

Attention East Aurora Residents

You are invited to attend a **Public Open House** for the

2018 Zoning Code Update!

May 23rd from 6:00 to 7:30 PM

@ The Aurora Senior Citizens Center (101 King Street)

Over the last year the Village has been working on an update to its Zoning Code and Map (Chapter 285). The purpose of this update is to ensure the Village's Zoning Code reflects the community's current values and development preferences, while also implementing a clear, concise format that improves administration and understanding of the Code by all users. The Draft Zoning Code and Map may be found on the Village's webpage.

The intent of this Open House is to provide residents with the opportunity to review and comment on the Draft Zoning Code and Map prior to consideration for adoption before the Village Board. The Open House will provide a nonconfrontational and informal setting in which to ask questions and discuss the Draft. Attendees may arrive and leave at any point during the Open House. We look forward to hearing your feedback!
