

## News Release

### Village of East Aurora Sanitation Pickup Changes

Due to the volume of materials and new style truck, service around the village has been slower and trash and recyclables are being picked up later in the day.

To accommodate the residents of the village, Waste Management will go from a four day service to a five day service by adding Thursday to the schedule. Approximately 500 residents will be moved from their Monday, Tuesday and Wednesday pickup to Thursday.

If you live on any of the following streets, you trash pickup will be on Thursdays:

- Boies Alley Buffalo Road Cazenovia Street Center Street Douglas Lane
- Fairlawn Drive Fairlawn Court Grey Street Hamburg Street
- Hamlin Avenue from Main Street to North Street Knox Road Mill Road
- North Willow Street from Main Street to North Street
- Oakwood Avenue from Hamburg Street to Sycamore Avenue
- Park Place Parkdale Avenue Perry Street Prospect Avenue
- South Willow Street West Fillmore Avenue Woodside Avenue

The changes will be effective the week of May 10, 2015. Waste Management will also go door to door and speak or place a door hanger on the affected resident's door notifying them of the change.

Information and a new route map can also be found on our website: [www.east-aurora.ny.us](http://www.east-aurora.ny.us)
