

## Cazenovia Creek Sanctuary Citizen Advisory Group

### **Mission Statement:**

To develop and implement a management plan for the Cazenovia Creek Nature Sanctuary.

### **Goals:**

Research and make recommendations on:

- Guidelines for public access.
- Signage and natural barriers to provide privacy to neighboring properties.
- Sanctuary design: A simple trail system that allows access to the creek; parking area; public access points.
- Public safety measures.
- Wildlife habitat preservation and enhancement.
- Identification, control, and eradication of invasive species.
- Working with community groups to implement the management plan.
