# Waste Management Guidelines for Garbage and Recyclable Collection for Village of East Aurora

**TIME** — All garbage and recyclables shall be placed at the curb for collection by 6:00 AM on your scheduled day, but not sooner than 18 hours prior to collection date. All streets are covered once only. Receptacles shall be removed from the curb within 12 hours after being emptied.

**SIZE AND WEIGHT** - All garbage should be placed in cans not to exceed 32 gallon capacity and/or weigh more than 60 pounds. Any material not in cans or bags should be securely tied in bundles no more than four (4) feet in length.

**ITEM LIMIT** - On a weekly basis, a limit of four (4) items of acceptable refuse and waste materials will be collected per family unit. This is not based on an average number of items, it is (4) items per unit, per week. **DO NOT INCLUDE:** Tires, Pesticides, Solvents, Motor Oil, Flammable Materials, Asbestos, Automotive Batteries, Paint (unless cans are emptied), Computers/Computer Monitors, Cell Phones, Pool Chemicals, Propane Tanks. For Information on the proper disposal of these Household Hazardous Wastes, contact Erie County at 858-6800 ([www.erie.gov](http://www.erie.gov)) or Waste Management at 496-5000 or 1-800-422-4040.

**BULKY WASTE COLLECTION** - Once a week, each family unit will be entitled to discard one (1) bulky item (i.e.. Mattress, box spring, furniture or appliance).

**Please note that large metal items will be picked up the following day.**

**RECYCLING** - Place your recyclables out weekly on the same day as your garbage collection. Place all acceptable material into the recycling bins provided and follow the recycling guide (on back). **NEED RECYCLING BINS ??** Contact Waste Management at 496-5000 or 1-800-422-4040.

**EXTRA ITEMS** - There is a limit of 4 items per household. For extra items, contact the East Aurora Village Clerk's Office at 571 Main Street (corner of Paine). Hours are 8 am - 4 pm Monday thru Friday. Extra stickers are available for \$1.00 each. The stickers may be placed on any extra 32 gallon can or bag, and will be picked up with your weekly garbage.

**CONSTRUCTION** - If you are doing home remodeling, Waste Management has 10-30 cubic yard containers that can be dropped off at your home. Please contact Waste Management *for* further details @ 496-5000 or 1-800-422-4040

**YARD WASTE** - Plant clippings, branches and twigs will be picked up by Waste Management as part of the 4 item limit as long as they are placed properly in a suitable container, or tied and bundled less than 4' in length and weighing less than 70 lbs. Brush and Tree Limbs will be picked up by the Village. The Village will also provide curbside Leaf Vacuuming (in the fall only).

---

**QUESTIONS ??** - For any questions, please call Waste Management at 496-5000 or 1-800-422-4040. Office hours are 7:30 am to 5:00, Monday through Friday.

### **GUIDELINES FOR PROPER DISPOSAL OF RESIDENTIAL HOME HEALTH CARE WASTE**

*Customers generating syringes, hypodermic needles or sharps are required to notify WM.*

*Place all needles, syringes or other sharp objects in a hard plastic container with a screw-in cap (such as a detergent bottle). The plastic container should not be clear or see through. Once full, screw the cap on and secure the cap to the container with tape. Place the container in the middle of your garbage and in a garbage can or tote-**NEVER IN A RECYCLING BIN.***

*Do not place needles, syringes or other sharp objects in a clear plastic, glass, or aluminum container. Do not use any container for home health care waste that will be recycled or returned to the store. WM also recommends that soiled bandages, disposable sheets, and medical gloves be placed in securely fastened plastic bags before they are placed in a garbage can with your other trash.*

*If you administer home health care, WM will not collect your garbage if all of your refuse is not in a hard plastic or metal garbage can. Please be sure that your home health care waste is not separated from or outside your normal refuse.*
